

Dear Potential Sponsor:

April 23-26, 2021, the Charles O. Strickler Transplant Center at the University of Virginia is organizing the inaugural virtual “*Donor Dash*.” This event will be a 4-mile walk/run and a 1-mile “*Transplant Trek*” fun walk.

Until 2017, 40% of Virginians in need of an organ transplant were seeking care outside the Commonwealth. UVA’s leadership decided that improving access to care for those in need of a transplant became of utmost importance. With a great team effort, within two years, UVA doubled the number of organ transplants performed per year. The goal is to continue on this growth and quality path until all Virginians in need can get a successful transplant at UVA.

Currently over 2400 Virginians are waiting for a lifesaving transplant and approximately 40% of Virginia adults have not registered to be an organ donor.

We invite you to participate as a corporate sponsor to further enhance education, awareness and the importance of organ donation as well as provide an opportunity for donor families, living donors, transplant recipients and their family and friends to come together for a celebration of life!

Below you will find various levels of tax-deductible sponsorship opportunities for the UVA Donor Dash. Size and placement of logos on event shirts and website are based on sponsorship levels.

We sincerely appreciate your sponsorship and/or participation in this event!

Participants can register for the event at: www.uvadonordash.org

Learn about organ donation at donatelifevirginia.org.
